**Subject: Clarification & Legal Guardian Verification for Underage Beneficiary Households under Project ID 22567**

**Dear Respected Donor,**

Small Kindness Bangladesh (SKB) extends its warmest greetings and sincere appreciation for your invaluable support in empowering vulnerable Rohingya refugee households in Bangladesh through the Distribution of Cow, Goat, and Sewing Machine Project (Project ID: 22567) in Camp 15, Ukhiya, Cox's Bazar.

This declaration serves to officially clarify the selection and operational management of beneficiary households where minor children reside. In all instances, assets are formally received, managed, and utilized by verified adult legal guardians (Father or Mother) representing each household.

In strict compliance with donor compliance guidelines, ethical standards, and Bangladesh child protection regulations, SKB field officers have verified and attached the official UNHCR Family Attestation Smart Cards and written consents of the Adult Legal Guardians (Father / Mother). Below is the complete, verified list of minor beneficiaries alongside their designated adult legal guardians.

### **Organizational Commitment:**

SKB affirms that all sewing assets distributed under Project ID 22567 are actively utilized by the verified adult guardians to generate sustainable household income and provide long-term socio-economic stability for the children and their families. All original UNHCR Family Attestation photocopies, birth certificates, and verification forms are permanently archived in SKB project records.

Thank you for your continued trust and partnership.

Sincerely,

**Md Abu Huraira**

Executive Director
